## The University Mace and Batons

The mace and batons are symbols of the authority and history of the University and are made from balusters from the original main staircase of Old Main, erected in 1875, the oldest University building now standing. The batons are carried by members of the faculty who are serving as marshals. The mace is carried by the chief marshal, who is the current chair of the Campus Faculty.

## Marshals' Gowns

The gowns worn by the marshals are of the traditional University color, cardinal red.

## Honor Stoles

White or cardinal stoles denote students who are candidates for University Honors. Cardinal represents Honors (cum laude) and white represents High Honors (magna cum laude). White stoles with cardinal and white cords represent Highest Honors (summa cum laude).

## Academic Regalia

The styles of gowns differentiate degree level. Trim of doctoral gowns indicates nature of degree (black or royal blue — Ph.D.; light blue — Ed.D.). Certain members of the faculty wear distinctive gowns and hoods authorized by their doctoral institutions. The lining of the hood denotes the color(s) of the institution awarding the degree. The official colors of the University of Arkansas are cardinal and white.

The color of the velvet band around the hood designates the academic degree of the wearer. Some examples are listed below:

Agriculture	Maize	Medicine	Green
Architecture	Blue Violet	Music	Pink
Arts and Letters	White	Nursing	Apricot
Business and Bus. Admin.	Drab	Pharmacy	Solid Green
Economics	Copper	Philosophy	Royal Blue
Education	Light Blue	Physical Education	Sage Green
Engineering	Orange	Public Administration	Peacock Blue
Fine Arts	Dark Brown	Public Health	Salmon Pink
Forestry	Russett	Science	Gold
Human Environmental Sciences	Maroon	Social Science	Cream
Humanities	Crimson	Social Work	Citron
Journalism	Crimson	Speech	Silvery Gray
Law	Purple	Theology	Scarlet
Library Science	Lemon Yellow	Veterinary Science	Gray

## **The University Song**

In 1909 a prize of fifty dollars was offered for the best poem relating to the University of Arkansas that should be capable of being set to music and used as a college song. Out of many entries, that of Mr. Brodie Payne, '06, of Hot Springs won the prize. The words were set to music by Professor H. D. Tovey, Director of the Conservatory of Music and Art at the University.

### **Alma Mater**

Pure as the dawn on the brow of thy beauty  
Watches thy soul from the mountains of God  
Over the Fates of thy children departed  
Far from the land where their footsteps have trod.  
Beacon of Hope in the ways dreary lighted;  
Pride of our hearts that are loyal and true;  
From those who adore unto one who adores us—  
Mother of Mothers, we sing unto you.

We, with our faces turned high to the Eastward  
Proud of our place in the vanguard of Truth,  
Will sing unto thee a new song of thanksgiving—  
Honor to God and the Springtime of Youth.  
Shout for the victory or tear for the vanquished;  
Sunshine or tempest thy heart is e'er true;  
Pride of the hills and the white-laden Lowlands—  
Mother of Mothers, we kneel unto you.

Ever the Legions of Sin will assail us,  
Even the Battle in Cities afar;  
Still in the depth will thy Spirit eternal  
Beckon us on like a piloting Star.  
Down the dim years do thy dead children call thee,  
Wafled to sleep while the Springtime was new;  
We, of the Present, thy Hope of the Future—  
Mother of Mothers, we pray unto you.

### **The University Seal**

The Seal of the University of Arkansas is affixed to each diploma and is stamped in gold on each diploma cover. The central element in the Seal is the front entrance to Old Main, the oldest building on campus.

## HONORARY DEGREE RECIPIENT AND COMMENCEMENT SPEAKER

### WILLIAM R. FERRIS

Joel R. Williamson Distinguished Professor of History  
University of North Carolina at Chapel Hill

As an author, folklorist, filmmaker, and former chair of the National Endowment for the Humanities, William R. Ferris has compiled a distinguished record of achievement and leadership during a career spanning more than three decades.

An expert on the American South, Dr. Ferris is the senior associate for the Center for the Study of the American South at the University of North Carolina at Chapel Hill. He is also the Joel R. Williamson Distinguished Professor of

History and an adjunct professor of folklore.

Dr. Ferris' scholarship covers the fields of folklore, American literature, music and photography. Among his books are "Ray Lum's Tales of Horses, Mules, and Men," "Local Color," "Images of the South: Visits with Eudora Welty and Walker Evans," and "Blues from the Delta."

As a documentary filmmaker, his works include "Mississippi Blues," which was featured at the Cannes Film Festival. Among his sound recordings are "Highway 61 Blues: James 'Son' Thomas," "Bothered All the Time," "Genesis: The Beginnings of Rock," and "Blues from the Delta." He served as a consultant to the 1985 Academy Award-winning movie "The Color Purple" and "Crossroads," a film about blues music.

For almost a decade, Dr. Ferris hosted "Highway 61," a weekly blues music program that airs on Mississippi Public Radio. He has made more than 225 presentations to audiences in 14 countries and was named one of the top 10 teachers in the nation by Rolling Stone in 1991.

Dr. Ferris served for 18 years as founding director of the Center for the Study of Southern Culture at the University of Mississippi in Oxford. Under

his leadership, the university developed the most comprehensive southern studies curriculum in the nation, and the center, with an interdisciplinary approach incorporating popular, folk, historical and literary subjects, attained national recognition as a model for regional studies centers. In 1993, the center was named a nongovernmental organization affiliated with the United Nations.

A professor of anthropology and a prolific author, Dr. Ferris spearheaded the creation of the best-selling *Encyclopedia of Southern Culture*, published in 1989. The Pulitzer Prize-nominated book contains entries on every aspect of Southern culture and is widely recognized as a major reference work linking popular, folk, and academic cultures. In Russia, Eastern Europe, and Australia, the *Encyclopedia of Southern Culture* has been used as a tool for understanding cultural and social diversity.

Dr. Ferris's honors include the presidentially bestowed Charles Frankel Prize in the Humanities, the American Library Association's Dartmouth Medal, the Mississippi Institute of Arts and Letters Award, and France's Chevalier and Officer in the Order of Arts and Letters. He also has been inducted into the Blues Hall of Fame.

Dr. Ferris taught at the University of Mississippi (1979-1997), Yale University (1972-79), and at Jackson State University in Mississippi (1970-72). He has M.A. and Ph.D. degrees in folklore from the University of Pennsylvania, an M.A. in English literature from Northwestern University, and a B.A. from Davidson College. He received a Doctor of Fine Arts from Rhodes College in 1997 and served as chairman of the National Endowment for the Humanities (1997-2001).

Born in Vicksburg, Miss., in 1942, Dr. Ferris is married to Marcie Cohen Ferris.
